HEC Liège recrute un chercheur postdoctorant dans le domaine financier

Le département de Finance, Comptabilité et Droit de HEC Liège (Université de Liège) recrute un chercheur postdoctorant dans le domaine financier.

Description de la fonction:

- Assurer la partie pratique du cours de Applied Financial Instruments (45h, Bachelier Bloc 3) soit environ 20h de travaux dirigés, cours donnés en anglais de février à mai (examen en juin);
- Réaliser des travaux de recherche dans un domaine en lien avec le pôle d'excellence Asset and Risk Management de HEC Liège: http://www.hec.ulg.ac.be/fr/faculty-recherche/domaines-d-excellence/asset-risk-management;
- Représenter HEC au sein de la communauté scientifique internationale en prenant en charge l'organisation d'événements scientifiques;
- Supervision et suivi de travaux de fin d'études;
- S'intégrer dans la vie administrative et scientifique du département.

Profil souhaité:

- Etre titulaire d'un doctorat en sciences de gestion ou en sciences économiques;
- Avoir un projet de recherche structuré dans un domaine en lien avec le pôle d'excellence Asset and Risk Management de HEC Liège: http://www.hec.ulg.ac.be/fr/faculty-recherche/domaines-strategiques-recherche/asset-risk-management;
- Justifier d’un sens incontestable de la pédagogie;
- Langues: anglais et français. La connaissance du français n'est pas obligatoire.

Contrat: Contrat d'un an à partir de janvier 2018 dans le département de Finance, Comptabilité et Droit. Possibilité de renouvellement annuel sur une période de 3 ans.

Composition du dossier de candidature :
- Lettre de candidature et curriculum vitae permettant de prouver et d’établir l’expérience ou l'expertise en finance et en enseignement;
- Projet de recherche;
- 2 lettres de recommandations

Date limite de dépôt des candidatures : 15 décembre 2017

Les dossiers de candidatures sont à adresser par e-mail à :
Madame Marie LAMBERT, Associate Professor (Marie.Lambert@ulg.ac.be), HEC Liège, rue Louvrex 14, B-4000 Liège. Renseignements complémentaires: marie.lambert@ulg.ac.be
HEC Liège is looking for a full time lecturer in Finance

The Finance, Accounting and Law Department of HEC Liège (University of Liège) is looking for a lecturer in Finance.

Job description:

• In charge of the practical exercises sessions (computer labs) for the courses of Applied Financial Instruments (45 hours, Bachelor Block 3), for an amount of about 20 hours. The courses are organized from February to May with the exam in June;
• Researcher in Finance, in a field related to the peak of excellence of "Asset and Risk Management"http://www.hec.ulg.ac.be/fr/faculty-recherche/domaines-d-excellence/asset-risk-management;
• Representing HEC in the international scientific community through (for instance) the organisation of scientific events/workshops;
• Promoting and supervising students' master theses;
• To be involved into the administrative and scientific life of the department

Your profile:

• You have a PhD in economics or finance;
• You are interested in fundamental and applied research questions in Asset and Risk Management (http://www.hec.ulg.ac.be/en/faculty-research/fields-research-centers/asset-risk-management) and have a structured research agenda in these fields;
• You have teaching skills;
• Languages: english and french. The knowledge of french is not mandatory.

Contract: The assistant will be hired for a period of one year as of January 2018 within the Finance, Accounting and Law Department. Possibility of (yearly) renewal for a period of 3 years.

Application package:
- Motivation letter and curriculum vitae showing the experience/expertise of the candidate in finance and teaching;
- Research project;
- 2 recommendation letters

Interested candidates should send their application to Professor Marie LAMBERT at marie.lambert@ulg.ac.be before 15 December 2017. Further information can be obtained at the same address.
About HEC Management School - University of Liege (HEC Liège)

HEC® Management School - University of Liège (HEC Liège) is the management school of the University of Liège. HEC Liège is one of the leading Belgian university business schools for graduate and postgraduate programs with more than 115 full-time faculty members and researchers and more than 2600 students. The school's mission is to train creative managers who will be responsible for building the future of businesses and organizations in a cross-cultural world. HEC Liège is a dynamic institution that heavily promotes an active pedagogy leading students to actively contribute to their education. The international vision of HEC Liège translates into multiple research activities in management and economics, numerous partnerships with worldwide companies and universities, and growing internationalization of its programs and faculty. HEC Liège main Masters’ programs, all taught in English, are EPAS-accredited: Master in Management and Master in Business Engineering. HEC Liège’s PhD program was the first worldwide to receive an EPAS quality label. HEC Liège is also member of the ‘Conférence des Grandes Ecoles’ based in France.

HEC Liège is located in Liège, Belgium’s third largest city, and the largest agglomeration of the French-speaking Walloon region. At the heart of Europe, Liège is the third inland port of Europe and the seventh freight airport in Europe. Recognized for its quality of life and its rich historical patrimony, Liège is ideally situated within the Meuse-Rhine Euregio, 40 kilometers from Maastricht (the Netherlands) and 60 kilometers from Aachen (Germany). It is less than 1.5 hours away from Köln, 2.5 hours from Paris and 4 hours from London by high-speed train starting from the magnificent train station designed by the renowned architect Santiago Calatrava.
