HEC Liège recrute un assistant-doctorant à temps plein dans le domaine de la logistique

L’UER Opérations de HEC Liège (Université de Liège) recrute un assistant-doctorant dans le domaine de la logistique.

Description de la fonction :

- Assurer l’assistance de cours de mathématique et de statistique (Bac Bloc 1) et de Supply Chain Management (Bac Bloc 3 et petites interventions en Master Bloc 2);
- Réaliser des travaux de recherche qui doivent mener à une thèse de doctorat dans un domaine en lien avec la logistique à HEC Liège;
- S’intégrer dans la vie scientifique du département.

Profil souhaité :

- Etre titulaire d’un ingéniorat en sciences de gestion ou en sciences appliquées ou un master en sciences mathématiques, informatiques ou physiques;
- Etre intéressé par des questions de recherche fondamentales et appliquées en logistique ;
- Justifier d’un sens incontestable de la pédagogie;
- Langues : anglais et français.

Composition du dossier de candidature :
La lettre de candidature et le curriculum vitae sont à adresser par e-mail aux Prof. Valérie Henry V.Henry@uliege.be et Sabine Limbourg (sabine.limbourg@uliege.be), HEC Liège, rue Louvrex 14, B-4000 Liège avant le 5 juillet 2020.
HEC Liège is looking for a full-time PhD Student-Assistant in Logistics

HEC Liège is the management school of the University of Liège. HEC Liège is one of the leading Belgian university business schools for graduate and postgraduate programs with more than 115 full-time faculty members and researchers and more than 3000 students. HEC Liège is a dynamic institution that heavily promotes an active pedagogy, leading students to contribute actively to their own education. The international vision of HEC Liège translates into multiple research activities in management and economics, numerous partnerships with worldwide companies and universities, and growing internationalization of its programs and faculty.

The school's commitment to, and continuing investment in, quality improvement has been recognized through the AACSB award and the EQUIS award delivered by the international accreditation body EFMD. HEC Liège also holds the EPAS award for each of its three main programs: the Master in Management, the Master in Business Engineering, and the Doctoral Program. The specialization “Banking and Asset Management” of the Master in Management has recently been accepted into the CFA Institute University Recognition Program. HEC Liège is also a member of the Conférence des Grandes Ecoles.

HEC Liège is located in Liège, Belgium’s third largest city, and the largest agglomeration of the Frenchspeaking Walloon region. At the heart of Europe, Liège is the third inland port of Europe and the seventh freight airport in Europe. Recognized for its quality of life and its rich historical heritage, Liège is ideally situated within the Meuse-Rhin Euregio, 30 km from Maastricht (the Netherlands) and 60 km from Aachen (Germany). It is less than 1.5 hours away from Cologne, 2.5 hours from Paris and 4 hours from London by high-speed train (TGV) starting from the new magnificent train station designed by the renowned architect Santiago Calatrava.

A description of the HEC Liège work environment can be found at:

The Operations Department of HEC Liège (University of Liège) is looking for a PhD Student-Assistant in Logistics.

Job description:

- Assist Mathematics and Statistics (Bac Block 1) and Supply Chain Management courses (Bac Block 3 and small interventions in Master Block 2);
- Carrying out research work leading to a doctoral thesis in a field related to the logistics in HEC Liège;
- To be involved in the scientific life of the department.

Your profile:

- You have an engineering degree in management sciences or applied sciences or a master's degree in mathematics, physics or computer sciences;
- You are interested in fundamental and applied research questions in logistics;
- You have teaching skills;
- Languages: English and French.
**Contract**: The assistant will be hired for two years as of 15th September 2020 within the Operations Department. Possibility of renewal for two extra periods of 2 years.

**Application package**: Interested candidates should send their motivation letter and curriculum vitae by email to Prof. Valérie Henry V.Henry@uliege.be and Sabine Limbourg (sabine.limbourg@uliege.be), HEC Liège, rue Louvrex 14, B-4000 Liège before 5th July 2020.
