HEC® Liège (University of Liège) invites applications for a 1-year postdoctoral position in the field of “Finance” starting on October 1, 2023.

HEC Liège is the Management School of the University of Liège (ULiège). The University is an active partner of a network of over 900 universities promoting the exchange of students, researchers, and skills. As one of its faculties, HEC Liège is one of the leading Belgian management schools hosting graduate and postgraduate study programs. The School counts 110 full-time faculty members and researchers and about 3,500 students, and promotes an empowering pedagogy leading students to play a proactive part in their education.

HEC Liège’s commitment to and ongoing investment in quality improvement has been recognized through the international Accreditations AACSB and EQUIS (delivered by EFMD).

HEC Liège offers a dynamic and entrepreneurial research and teaching environment. HEC Liège emphasizes the human dimension of its work environment, the regional anchoring of its community service missions, the managerial relevance of its teaching and its applied research projects, let alone its fruitful inter-faculty partnerships.

HEC Liège upholds respect, tolerance, congeniality, diversity, and social responsibility. It is committed to the well-being of its members and to environmental protection.

Last but not least, HEC Liège’s modern and expanding campus within a city renowned for its friendliness and hospitality makes it a great place to live and work.

Job description

Postdoctoral researcher in the field of Finance, attached to HEC Liège, Management School of the University of Liège.

Research activities

The candidate will perform state-of-the-art research activities in the strategic research field “Financial Management for the Future”, with potential applications in and collaborations with other strategic research fields of HEC Liege Research.

She/he will be expected to publish scientific articles in relevant and top-tier refereed economics and management journals (see HEC Liège Academic Journal Guide; in particular journals ranked as A+, A, B should be the prime targets).

Finally, she/he will be involved in international research networks and disseminate her/his research at conferences and seminars.

Teaching activities

The successful candidate will be expected to contribute to 1 course (in French or in English), aligned with her/his profile, in domains such as market and quantitative finance, financial analysis or corporate financing. Also, he/she will also be required to supervise master theses and internships in topics related to her/his expertise.

Community Outreach

The position involves participation in the academic life of the strategic research field “Financial Management for the Future”, the Finance and Accounting Department, HEC Liège, and ULiège.

Profile

- You have a PhD or will receive a PhD before the appointment, in Finance, Economics, Management, or adjacent relevant fields such as applied mathematics or statistics applied to finance.
- You are active in international research networks
- You are fluent in English. Knowledge of French is an asset.
Application package

- Motivation letter and curriculum vitae showing relevant experience/expertise in research and teaching, including a list of publications and working papers.
- A research statement (max. 3 pages) detailing ongoing research projects.
- Two recommendation letters to be sent separately by the referees to jhambuckers@uliege.be.

To be sent to jhambuckers@uliege.be by August 25, 2023 at the latest.

Recruitment conditions

Fixed term of one year, potentially renewable, with a starting date on October 1, 2023 open to discussion.

Information

For further information about the position, contact Prof. Julien Hambuckers, Head of the strategic research field “Financial Management for the Future” (jhambuckers@uliege.be).

The salary grids and their rules of application are available from the University’s Human Resource Office:
Mrs L. Depas – tel.: +32 4 366 52 04 – Ludivine.Depas@uliege.be
